

L^{OURDES}

2019 SUMMER BOWLING CAMP

Bowlers from ages 7-12 will have the opportunity to participate in the first of three camps hosted this summer by Lourdes bowling. The focus of this camp will be to teach campers the fundamentals and basics of bowling. Attendees will learn various techniques and receive instruction from collegiate coaches and bowlers in preparation for league and high school bowling.

Under the watch of men's and women's bowling coaches Torrie and Dan Bartalone, campers will have the opportunity to hone their skills. Torrie, a former Division I All-American, is the first head coach in program history at Lourdes. She is a United States Bowling Congress (USBC) silver certified coach and has a decorated playing career.
