## 2019 SUMMER BOWLING CAMP

Bowlers entering grades 7-12 will have the opportunity to develop their skills in their mental game, sport shot pattern, and the physical game break down of bowling for individual and team experience in the second of three bowling camps hosted by Lourdes. The camp will help attendees prepare for sport shot competition and high school and collegiate play, while working with collegiate coaches and bowlers.

Under the watch of men's and women's bowling coaches Torrie and Dan Bartalone, campers will have the opportunity to hone their skills. Torrie, a former Division I All-American, is the first head coach in program history at Lourdes.
