## 2019 BOWLING SWEEPER & COLLEGE EXPERIENCE SEMINAR

Lourdes bowling will offer a free seminar to all ages for information about the school, bowling program, and NAIA bowling with college bowlers as special guest speakers. Lourdes will also hold a Mini 6-Game Sweeper later in the afternoon with three sport shot patterns. Bowlers will get the chance to compete at a high level while the winner of the tournament receives a S.M.A.R.T scholarship fund.

Under the watch of men's and women's bowling coaches Torrie and Dan Bartalone, campers will have the opportunity to hone their skills. Torrie, a former Division I All-American, is the first head coach in program history at Lourdes. She is a United States Bowling Congress (USBC) silver certified coach and has a decorated playing career.
